COMBINED SUNBURY SCHOOLS CURRICULUM DAY

TUESDAY JULY 29th

Students are not required at school on this day

Please note: Out of School Hours Program will be operating on this day.

To enrol please see Kristy in the Out of School Program Area.

A Program for Curriculum Day is listed on the next page.

Dear Parents, Staff and Children,

Welcome Back

We welcome back Mr. Taylor who returned to school yesterday after three weeks overseas. We are sure that he has lots of stories to tell and exciting experiences to share.

Special thanks to Mrs. Norris for her work as Acting Assistant Principal over the past two weeks. We truly appreciate all your hard work in getting the term off to a flying start.

Chicken Pox

We have a number of reported cases of Chicken Pox, particularly in the infant area. Chicken Pox usually presents with a low grade fever and a rash that develops into spots or lesions over about five days. Children infected with the virus are excluded from school until full recovery or for at least 5 days after the lesions appear. It is also important to note that children with an immune deficiency are more susceptible to contracting the virus.

Fruit In Schools

Just a reminder that forms for the Fruit in Schools Program are due in by this Friday, 25th July. We cannot accept any forms after this date as we will need to confirm our order. Fruit deliveries will therefore commence in (Week 4 of term 3 not Week 3 as previously mentioned) The cost of the program is \$10.00 for 10 weeks.

Curriculum Day / Grade 5 Camp

Just a reminder that Tuesday 29th July is Curriculum Day and this is a pupil free day for most of our students.

Tuesday is also the first day of the Grade 5 Camp to The Grampians and all our happy campers are due at school by 8.30 am for a 9.00am departure.

We hope that staff, students and parents attending have a wonderful time and that the weather is kind to them.

Inga Wilson
Acting Principal
