## WELCOME A SLICE OF THE WORLD INTO YOUR HOME!

### MARLENE S

15 from Germany

Ever since I learnt about Australia, I have fallen in love with it! My older brother has been on exchange and my family has hosted, therefore I know how wonderful it is to create a 'second family' on the other side of the world!

### EMMA D

17 from Italy

With an easygoing and sensible nature, I care about people around me and I stand up for my values. Although I can be a little bit shy at the start, I'm kind, cheerful and open up when I get to know someone better!

Not-for-profit organisation, **WEP Australia**, is seeking volunteer host families for high school exchange students arriving this July!

**Can you help?**

**Need to know:**

- You choose your student
- Hosting is voluntary
- Students attend high school
- You'll make memories for life!

### MARCELLO C

16 from Italy

I am bubbly, enthusiastic and always very happy! I aspire to become an actor. I participate in acting classes and I love singing and dancing. I can't wait to meet your amazing family and to make some Australian friends!

"If you're thinking about hosting, do it! It's the most rewarding experience for your family.

Our daughter has a sister now, someone to talk to other than mum or dad."

Nicole, three-time host mum.
